

## Cable Manager / Panels

These Horizontal Cable Managers help keep your patch cords organized and protected. They maintain the required bend radius and also provide strain relief for your cables and patch cords. Finished in a durable black powder coating color these rack and wall mount cable managers are not only durable but stylish.

### FEATURES:

- Keeping large bundles well-organized
- Can be mounted on 19" EIA racks
- Cable managers made of 18-Gauge steel
- D-Ring constructed of 18-Gauge steel
- D-Ring cable manager can mount to both a rack rail or a wall
- Accommodate multi 4Pair cables using the recommended 50% fill rate, depending on model
- Durable flat black powder coat finish
