

# GENERIC

## 601ZE

### Time Attendance Reader Thumb + RFID

### TECHNICAL PARAMETERS

Confirm Successfully period	<1S
Confirm failed period	<2S
Register and Compare Method	Fingerprint, card, Fingerprint + card
ID	Any number between 1 - 65535
Fingerprint input times for register	3 times
Fingerprint input acreage	16mm* 16mm or 18mm*18mm
FAR	Under 0.0001%
FRR	Under 0.01%
Fingerprint register memory	1450 times
Management records	1000 times
In / Out records	30000 times
RS232	9600, 19200, 38400Bps
RS485	9600, 19200, 38400Bps
Operation Language	English
Power consumption	<5W
Power Supply	Input Voltage : 160 ~ 265V Operation Voltage : 5VDC $\pm$ 5%
Working Temperature	0°C ~ 45°C

Specifications are subject to change without prior notice with advancement in technology.
