

PRP-088III

BayLan Splash and Dust Proof

Thermal Receipt Printer USB Interface

BayLan PRP-088III high-quality, low-noise thermal receipt printer, speeds up to 250mm/sec., which is ideal for retail environment. In addition to the horizontal printing, this printer supports vertical and wall mount printing. The splash and dust proof design makes this printer capable for withstanding harsh environment.

FEATURES

- Halt-on protect function for overheat
- Print speed: 250mm/sec. (max.)
- Available with Serial, Parallel, USB and Ethernet interfaces
- Cash drawer connection port (RJ11)
- Compatible with ESC/POS commands sets
- Splash and dust proof design
- Support vertical printing and wall mount printing
- Drop-and-print paper installation, simple paper jam elimination
- Available with plenty of fonts
- Support OPOS driver
- Support kitchen printing and network printing
- Print and error alarm function. Paper end detection
- Built-in 128K bytes data buffer
- Print Resolution: 576 dots/line or 512 dots/line
- Print head life: 100km (or 52,000,000 lines)
- Dimension : 197mm(L) x 140mm(W) x 143mm(H)
