BayLan offers RFID reusable silicon wristbands that are flexible, waterproof, and have a comfortable feel. They are offered in adult, youth, and child sizes. They also can come equipped with customer logo, as well as a choice from one of our many color offerings. Our RFID reusable wristbands are ideal for annual membership clubs, seasonal pass destinations, or exclusive/VIP clubs. Additionally, we can customize the wristbands with silk screen printing, debossing, and embossing.
